HUSUM WindEnergy

The Leading
Wind Energy Trade Fair

Meet the wind experts!

HUSUM WindEnergy has been the meeting place for the international wind industry for almost a quarter of a century, providing a platform for successful contacts and deals.

And this is where the online WindCommunity ties in: Make new contacts, find new staff and showcase your services and products to the whole industry. 24/7/365 worldwide!

Over the last months husumwindenergy.com has scored almost 1.200.000 visitors, from 170 countries.

84% of all visitors to husumwindenergy.com are regular viewers.

Almost 5% of all visitors even use the industry platform daily.

Whether you are an exhibitor or not: everyone has the same opportunity to use the online community for showcasing their business.
